families gathered to celebrate a proud day. The College's goal of sustaining a spiritual as well as an academic community was highlighted by the morning Baccalaureate Mass. Fr. McConica was principal celebrant, assisted by Fr. Madden and Fr. Arnold, who, in his homily, spoke to the congregation on the value of wisdom. Following Mass, we had the chance to meet with friends and faculty at a reception in Brennan Lounge before heading over to Convocation Hall.

Prior to the University ceremony, we received detailed instructions on how to conduct ourselves, and pondered the burning question, "to kneel or not to kneel?", before trooping across King's College Circle to receive our degrees. The Chancellor and the Procession made an impressive entrance; all the more memorable as this was George Ignatieff's final Convocation. The Chief Justice of the Supreme Court of Canada Brian Dickson was given an honorary degree and spoke on the relationship between law and compassion. The warmth with which Chancellor Ignatieff then admitted each one of us to the degree impressed us all.

House, then at St. Michael's, where the academic awards were given and the Alumni Buffet enjoyed. Later in the evening there was a dance in Brennan Assembly Hall.

It may be a cliché, but with diplomas in hand, the years of study seemed well worth while!

PROFESSOR PHILIP RIEFF IS SECOND PRESIDENT'S LECTURER

Will Give Two Lectures in 1986-7 Academic Year

By J.K. McConica, C.S.B., President,
USMC

The second President's Lecturer at St. Michael's is a commanding figure in the world of modern social theory, better known inside the academy than to the public at large. His critique of modernity, however, is of fundamental importance to all who are concerned with the role and prestige of religion in our day. He is one of the select few among theorists of modern culture to command the attention accorded to Lionel Trilling, Hannah Arendt or David Riesman, and at the same time to succeed in challenging the premises of that culture at the very foundation.

Philip Rieff is a University Professor of the University of Pennsylvania, and Benjamin Franklin Professor of Sociology there. He is an international figure, lecturing regularly in places as far-flung as Istanbul, Melbourne and Brasilia, as well as in Europe and America. He is a frequent contributor to such journals as *The Atlantic*, *Harper's*, *Commentary*, *Encounter*, *Partisan Review* and *The Kenyon Review*, as well as the technical journals of the history of ideas, sociology and religion.

In 1985 he was William R. Keenan Distinguished Professor at the College of William and Mary, and he has recently held the posts of Terry Lecturer at Yale University and Aquinas Professor at Duquesne (and at Drew University). Earlier, he was a Fellow of the Centre for the Study of Democratic Institutions at Santa Barbara, California, and of the Center for Advanced Study in the Behavioural Sciences at Palo Alto. He was Founding Editor of *Daedalus*, the Journal of the American Academy of Arts and Sciences, and has been an Associate Editor of the *American Sociological Review*, and Chief Consultant to the planning department of the National Council of Churches (New York).

Despite his eminence in the world of sociology, Rieff is in many ways a solitary figure among his professional colleagues. It is his particular achievement to have worked from the legacy of the figures of modern social theory — from Saint Simon, Durkheim and Weber onwards — and to have applied what Philip Toynbee has called his "cunning" to the heritage of Freud and the psychoanalytic school. He introduced into common parlance the term "the therapeutic man", and has vexed the sociological establishment as much as he has challenged the prestige of psychiatry as the new priestly science of the secular.

His book, *The Triumph of the Therapeutic: Uses of Faith after Freud*, from which the term "therapeutic man" was taken, was described in *The American Scholar* as a "prophetic" work. It followed on his famous, pioneering study, *Freud: The Mind of the Moralizer*, and was in turn succeeded by *Fellow Teachers Of Culture and Its Second Death*. The first two books are presently in their third edition, the last, in its second.

Rieff's theoretical work is firmly grounded on a commanding knowledge of the magisterial texts of our time. He has edited Freud's *Collected Papers*, and Harnack's *Outlines of the History of Dogma*, along with the seminal works of Charles Horton Cooley. He will shortly publish a two-volume study on the place of the sacred in modern culture, and his St. Michael's lectures will be a prologue to and preview of what will undoubtedly be one of the major intellectual events of the decade.

Professor Rieff will give two lectures during the 1986-87 academic year:

FIRST LECTURE: "A THEORY OF CULTURE". THURSDAY, OCTOBER 16, 8:00 P.M.

concepts and theory.

**SECOND LECTURE: "IMAGES OF SACRED ORDER". THURSDAY, MARCH 5, 1987, 8:00 P.M.

This lecture will analyse the symbolic expressions of changing attitudes towards social, political and moral authority.

There is no charge for the lectures, but tickets are necessary for admission. Please write: The President's Office, University of St. Michael's College, 81 St. Mary St., Toronto, Ont. M5S 1J4.

SPRING REUNION AT ST. MICHAEL'S JUNE 6,7,8, 1986

SPRING REUNION AT ST. MICHAEL'S JUNE 6,7,8, 1986

Spring! The time of flowers, the time of showers, the time of life and sunny days. A Good Time. A Happy Time. Reunion time at the University of Toronto and St. Michael's College — and we had flowers, showers, life and sunny days (at least one!). It was indeed a good and happy time for the over two hundred St. Michael's grads from the honoured years 1921, '26, '36, '31, '41, '46, '51, '56, and '61. Old friendships received new life as classmates renewed their acquaintance at a reception in Brennan Lounge Friday night and at a dinner on Saturday night in the Canada Room.

One hundred and seventy returned to the College chapel on Sunday morning for a special concelebrated reunion mass at which His Eminence George B. Cardinal Flahiff, C.S.B., one of the five returning members of the class of 1926, was the principal celebrant. Fr. Walter Principe, C.S.B., class of 1946, was the homilist. The Mass was followed by a lively brunch in the Canada Room and then by exchanges of farewells and the promise of "I'll see you in five years!"

Several returning grads stayed in the residences at Loretto College, St. Joseph's College and St. Michael's. A *real* re-entry into the past.

One dark cloud over the week-end was the absence of Fr. John Kelly, whose health forced him to remain in the Basilian infirmary in St. Basil's Seminary. He sent his regards and a few returning alumni were able to visit him briefly; several wrote him brief notes which he appreciated and for which he expresses his gratitude.

CARDINAL RATZINGER'S VISIT

Cardinal Joseph Ratzinger, Prefect of the Sacred Congregation for the Doctrine of the Faith, was at St. Michael's from Sunday, April 13 to Wednesday, April 16 — and what a visit it was! Here to inaugurate the President's Lecture Series, he cheerfully and graciously gave himself completely to the College, following a demanding schedule that began with the University Mass Sunday afternoon, at which he was celebrant and homilist, and continued through a series of ecumenical meetings, theological discussions with faculty and students, media interviews, and receptions. The highlight was the inaugural lecture itself, "The Ecclesial Nature of Theology," delivered to an audience of over 6,000 in Varsity Arena.

Oh, what a gift!

Many alumni were present at Cardinal Ratzinger's lecture and several were able to meet and talk with him at the various gatherings associated with his visit. The pictures accompanying this brief article will perhaps give some sense of the spirit of the four days. April 16 was the Cardinal's birthday, and the students knew it!

There are plans to publish the Cardinal's lecture. If you would like a copy, contact the President's office at St. Michael's. There will be nominal charge, yet to be determined, to cover the cost of printing and mailing.

Students Mako Watanabe and Kristen Marshall present a birthday cake as Fr. McConica and Prof. Fedwick look on.

VARSITY FUND — THE PRINCIPAL'S VIEW

By William B. Dunphy, Principal,
SMC

One large chunk of your contributions to the Varsity Fund goes into the Principal's budget as the Academic Initiatives Fund. This makes the Principal's job more bearable, and enables him to strengthen the College in areas central to her traditions.

As you may know, since the mid-70's, the University of Toronto funds the salaries and benefits of nearly all of the College teaching staff. What the "nearly all" does not cover is precisely that group of professors assigned to our new, college-based academic pro-

grammes. The bulk of their academic salaries comes from you and has made it possible for us to have Dr. Janine Langan as Director of our programme in **Christianity and Culture**, Dr. Ann Dookey in **Celtic Studies**, and Dr. Bob Barringer, C.S.B., in **Christianity and Culture and Religious Studies**.

In addition, the Academic Initiatives Fund has enabled me to fund a Writing Lab for our students and to hire two of our senior computer science students to provide supervisory and maintenance services to our never-closed computing facilities for students.

The Fund also enables the Principal

to respond to requests from staff to enable some gifted scholar from abroad (already in Canada) to lecture to our students (at an average cost of about \$150). I am also able through this Fund to assist the editors of the College Yearbook, *Windrose*, serving each year the latest crop of graduates and the newest group of alumni.

In short, the Academic Initiatives Fund, which for 1986 amounts to some \$175,000 of your total Varsity Fund may seem like peanuts in a college budget of over six million dollars but it represents the only flexibility and discretionary use of funds the Principal can exercise. Thank you.

VARSITY FUND — '86

Principal Dunphy has outlined above how some of your Varsity Fund donation enriches the academic life of St. Michael's College. You should also know that your gift helps necessary new books and current periodicals reach the shelves of the Kelly Library, helps meet the expenses of the Theatre in Alumni Hall, and funds scholarships and bursaries for outstanding Canadian and visa students. By your gift you also support the alumni Freshmen orientation dinner in September, the awards receptions in the fall and late winter, and the graduation buffet in June. These projects and events, with those described by Principal Dunphy, give the Alumni Association a prominent place in the educational experience of St. Michael's students, thus continuing your involvement in higher education.

As you know, the St. Michael's Alumni Board has set a goal of \$450,000 for 1986. 1986 is three quarters gone and we are less than half way to our goal. Fr. Kelly informed me that St. Mike's alumni are strong finishers — the College relies on that reputation and your generosity to reach our goal and provide the support that is essential to St. Michael's educational programmes.

A GENEROUS CHALLENGE: The Sam Sorbara Charitable Foundation will match, up to a total of

\$25,000, new gifts and gifts from those who have not donated in the past four years. That generosity is deeply appreciated and provides a challenging incentive to alumni who have yet to be part of the Varsity Fund.

PRACTICAL INFORMATION: The money you designate for St. Michael's on the Varsity Fund appeal slip will support the projects referred to above plus the McCorkell-Sullivan Fund (toward establishing a Chair in Philosophy) and the Alumni Office (salaries, *Newsletter*, printing, postage). The Alumni Office will send you your tax receipt. If you designate part of your gift for the U of T President's Fund or some other U of T constituency, that amount will go for the purposes established by them and not to St. Michael's; your receipt for such gifts will be sent by the university office,

not by the SMC Alumni Office.

A TAX REMINDER FOR ALUMNI RESIDENTS IN U.S.: Because of the recent tax convention with the U.S., donations made by a citizen or resident of the U.S. to a Canadian college or university at which the U.S. citizen or resident, or any member of his or her family, is or was enrolled qualify as an eligible donation for U.S. tax purposes.

THE PHONATHON RETURNS: The evenings of October 29, 30 and Nov. 3 have been reserved for a St. Mike's Varsity Fund phonathon. If you can help in the phoning, please call the Alumni Office, 926-1300; come and have fun with other Alumni and classmates. Be prepared to get an "asking call"!

GREGORY BAUM LEAVES ST. MICHAEL'S

By William Dunphy, Principal,
SMC

It is with considerable regret but with tremendous appreciation for more than two decades of outstanding service to St. Michael's, that I note the departure of Professor Gregory Baum. He leaves this summer for Montreal and a new appointment at McGill University, whose policy allows distinguished professors to teach until age 71, unlike the University of Toronto's policy of mandatory retirement at age 65.

Two public events signalled his departure. St. Michael's, with the University of Toronto's departments of Religious Studies and Sociology, hosted a reception in Brennan Lounge during the evening of May 1 for the more than two hundred friends and colleagues who attended an unusual Symposium in Alumni Hall. Four academics delivered four 15 minute appreciations of Gregory's contributions to four different areas of our society: Professor Roger Haight, S.J., of Regis College in Theology; Profes-

sor Roger Hutchinson of Emmanuel College in Ecumenism; Professor John Simpson, Chairman of Sociology in Sociology; Professor Abe Rotstein of Political Science in the area of the Canadian Left.

Gregory's response to all four presentations and his reflections on his work here at St. Michael's brought a standing ovation from the overflow crowd in the Senate Chamber.

Less than a week later, on May 6, nearly 350 friends gathered for a banquet and more informal appreciations by representatives of the various groups and constituencies with which he had been associated during his Toronto years. Among these were St. Mary Jo Leddy from the *Catholic New Times*, Harry McSorley from St. Michael's College and its Faculty of Theology, and Tony Clark, Co-

director, Social Affairs Department, Canadian Conference of Catholic Bishops, who read a tribute signed by members of the Administrative staff of the CCCB as well as by several bishops and directors of diocesan Social Action Offices from across Canada.

While some viewed his work as controversial, the steady stream of his critically acclaimed publications and books, and his editing of the well known and widely respected journal, *The Ecumenist*, have certainly been a credit to St. Michael's. Less well known have been his tireless hours spent supervising theses of Toronto School of Theology graduate students. For all of these reasons, not to mention his ready smile and constant readiness to be consulted by colleagues, Gregory Baum will be sorely missed at St. Michael's.

SISTER MARY ZIMMERMAN

ment in a wide range of community and national health projects brought her the award, in 1981, of the Ontario Bicentennial Medal "For Service to the Community".

Among her many offices and achievements, she has held the position of Associate Professor in the Faculty of Medicine, University of Toronto. She was a Founding Director of the Commerce Court Medical Centre, and of the St. Michael's Detoxification Centre. She is a Fellow of the American College of Hospital Administrators, and has brought her exten-

sive experience to many branches of community service, from the Arthritis Society and the Ontario Council of Administrators of Teaching Hospitals, to Ontario Hydro.

Sr. Mary's presence at St. Michael's will be felt both in the internal administration of the College, and in its liaison across campus, where she has many friends. We also look forward to her involvement with the Alumni on behalf of the President's Office, as St. Michael's graduates take a growing part in the yearly cycle of college life.

THANK YOU, FR. SCOLLARD!

The *Newsletter* and the Alumni express gratitude to Fr. Robert Scollard, C.S.B., 2T8, on his retirement from the position of Archivist of the University of St. Michael's College. St. Michael's partially acknowledged his many contributions by conferring on him an honorary doctorate in 1983; his extraordinary accomplishments were outlined in the fall '83 issue of the *Newsletter*. We say thank you to him now for his eager cooperation in lending archival materials for reunion and the *Newsletter*. If you saw your class picture at a reunion or read your name in the "Registers of Graduates 1910-1959 of St. Michael's College", or enjoyed looking at photo displays of "the early days", you have him to thank — so, all together, "THANK YOU, FR. SCOLLARD."

also worked as a freelance writer and consultant and as an editor and reader for McClelland and Stewart.

Her community interests have involved her in the St. Denis Parent-Teachers Guild as President, and she has worked as a parent-consultant and volunteer instructor in the enrichment programme at St. Denis School.

An Advisory Committee consisting of members of the faculty, alumni and administration has been appointed to work with Mimi, who

sets out on her new task with the strong support and good wishes of her colleagues and the St. Michael's alumni. A grant of \$10,000 from the Catholic Education Foundation is a particularly encouraging sign of interest and confidence in the College's efforts to meet the intellectual needs of the wider community. The centre pages of the *Newsletter* contain information about this year's offerings and bear eloquent witness to the energy and creativity of the new Director. Best wishes, Mimi!

The John M. Kelly Lecture in Theology

By Patricia Hayward

On Wednesday, February 25, 1987, St. Michael's College will welcome Joseph Cardinal Bernardin, Archbishop of Chicago, who will deliver the eighth annual John M. Kelly Lecture in Theology. He has chosen as his topic, "Roman Catholicism in the

Cardinal Bernardin to give Kelly Lecture

Wednesday, February 25, 1987

8:00 P.M. Brennan Assembly Hall

Third Millennium: Prospectus for Unity."

Prior to his pastoral assignments as Archbishop of Cincinnati and then of Chicago, Cardinal Bernardin served in administrative positions. He was general secretary of the National Conference of U.S. Catholic Bishops for a number of years, and then went to Rome where he was one of a group which supervised the international bishops' synods. Serving with him in Rome was Karol Cardinal Wojtyla, now Pope John Paul II.

Cardinal Bernardin is seen as an administrator but most notably as a diplomat who is loyal to church policy while being willing to listen to those with more liberal views of the Church. He has been called a "model post-

Vatican II bishop" for these twin qualities of loyalty and receptivity. His topic acknowledges that the post-Vatican II church needs to formulate new ways of listening and acting while remembering the two millennia of Catholic tradition. He was the chairman of the American bishops' committee which wrote the pastoral on peace, published in November, 1982. He will speak to this process of consultation with laity and clergy, and revision in his February talk. This process is being used now by the Canadian Bishops' Conference in its dealings with the Canadian Catholic population and with the government.

Please join us on February 25 to welcome and respond to Cardinal Bernardin.

Mr. Justice Arthur Kelly 2T0 1900 — 1986

One of St. Michael's most eminent and loyal Alumni died in his Toronto home on May 31, 1986. A graduate of 1920, Justice Kelly was called to the bar in 1923. He served as president of the Canadian Bar Association and was appointed to the Ontario Supreme Court Appeals Division. His work on various special commissions had far-reaching effects, especially his report on Windfall Oil and Mines.

He was instrumental in drafting the legislation that created the Metropolitan Toronto Separate School Board and was the first Chairman of the Addiction Research Foundation and also the Ontario Mental Health Foundation. His public service included an appointment to the Board of Governors of the University of Toronto; he received an honorary Doctor of Laws from the U of T.

He was deeply devoted to his family and his Church, and many at St. Michael's can testify to Justice Kelly's strong support of the College over the years. His generosity included giving of his time and great talent as advisor in legal and other matters; his help was essential in drawing up *An Act*

Respecting St. Michael's which was passed in the Ontario Legislature in 1958, granting St. Michael's the powers it has today.

The funeral Mass of the Resurrection was celebrated in Our Lady of Lourdes parish where Justice Kelly had worshipped with his family for

decades. Fr. L.K. Shook, C.S.B., former Superior and President of St. Michael's, preached the homily.

To Mr. Justice Kelly's family the Alumni Association offers its sympathy and expresses gratitude for all he was and did for all of us who make up St. Michael's. May he rest in peace.

Campus Notes

• At its April 1 meeting, the Collegium, acting on the recommendation of the search committee, unanimously approved the reappointment of **Professor William B. Dunphy** to a second five-year term as Principal of St. Michael's College.

• **Professor Barry Brown** has been appointed Acting Principle during Principal Dunphy's research leave. Professor Brown joined the Department of Philosophy in 1967 and in recent years has concentrated his studies in biomedical ethics.

• **Professor Anne Dooley** has been appointed Acting Director of the Celtic Studies Programme for the academic year 1986-87. Professor Dooley, a native of Ireland, holds a Doctorate in medieval studies from the U of T and has been teaching in the Celtic Studies programme for several years.

• **Professor Emeritus James Cameron** returned to St. Michael's. He is offering courses in the Christianity and Culture Programme, and continues his own research and writing — indeed, a most welcome return!

• **Professor William Marceau, C.S.B.**, Professor of French at St. John Fisher College, Rochester, N.Y., spent the spring term at St. Michael's as a visiting professor in the Christianity and Culture programme. He offered a course on the varieties of Christian experience as found in the writing of a selection of spiritual authors. Fr. Marceau has published two books on St. Francis de Sales, several articles, and has had a work on Henri Bergson accepted by Stanford University Press. His presence on campus is an example of what the Academic Initiatives Fund, described elsewhere in the *New-sletter* by Principal Dunphy, can do for the College.

• **Sr. Johanna D'Agostino, I.B.V.M.**, and **Fr. John Gaughan, C.S.B.**, have been appointed to full-time positions in the St. Michael's Chaplaincy. Sr. Johanna holds masters degrees in education and religious education from the Ontario Institute for Studies in Education and the Toronto School of Theology respectively, has lectured in Education at Brock University, has

just finished a term as Dean of Loretto College, and has assisted in the Chaplaincy last year. Fr. Gaughan graduated from St. Michael's in 1950, and received an M.B.A. from the University of Detroit. For the past few years he has been Treasurer and Superior of Assumption University where he also worked in the Chaplaincy of the University of Windsor. Earlier he was the Director of the St. Basil's Retreat Centre in Pontiac, Michigan, Director of the Newman Centre of the University of Toronto, and the Treasurer General of the Basilian Fathers. As you can see, our new Chaplains bring a wealth of talent, education and experience to this challenging and most important work on campus.

• **Fr. Brian Hogan, C.S.B.**, has joined the Faculty of St. Michael's. Fr. Hogan comes to the College from St. Thomas More College in the University of Saskatchewan where he was Superior of the Basilian community and taught in the History department. He has published several articles on church history, and also a book on the church's relation to the labour movement in Ontario. This past spring he was awarded a Ph.D. in History by the University of Toronto.

• The Third Annual Symposium on Italian Canadiana was held here on Thursday, May 15. It was organized by the Centre for Italian Canadian Studies which is located at St. Michael's;

Professor Ezio Cappadocia 4T6 and other alumni and friends of St. Michael's were involved in the event.

• The Fall Convocation of the University of St. Michael's College will take place on Nov. 29 at 2:30 P.M. in St. Basil's Church. On that occasion **Sr. Frances Nims, I.B.V.M.**, 3T9, **Mr. William Bennett**, 3T4, **Fr. Frederick Crowe, S.J.**, and **Dr. George Ignatieff**, recently retired Chancellor of the University of Toronto will receive honorary doctorates. You are welcome to the Convocation.

• **Fr. Fred Black, C.S.B.**, 4T6, has succeeded **Fr. Robert Scollard, C.S.B.**, as Archivist for St. Michael's.

• In the Registrar's Office, **Rick Hayward** 7F0 has been appointed Associate Registrar, and **Sheila Flattery** 8T3 has been appointed Assistant Registrar.

• In June the campus was the locus for "World Congress V Logotherapy"; several hundred people gathered to reflect on the application of the thought of Victor Frankl to current world situations.

• **Professor Joseph Boyle**, University of St. Thomas, Houston, Texas, is the McCorkell-Sullivan Visiting Professor in Philosophy, 1986-87. He has published extensively in the field of ethics, with special emphasis on medical ethics.

Sister St. John O'Malley C.S.J. 2T1

1889 — 1986

On January 25, 1986 Sr. St. John O'Malley, C.S.J., died in the St. Joseph's Sisters infirmary at Morrow Park.

After graduating from St. Michael's in 1921, she began her teaching career at the College in 1922 as a lecturer in Latin and for over forty years was revered and respected by students and colleagues as an excellent teacher. In the tradition of the Sisters of St. Joseph, she was justly demanding in the classroom, but believed teaching involved much more than the transfer of academic knowledge. She set high scholastic standards for herself and her students, and was present to them as a counsellor, a friend and an example of a wise and valiant Christian woman who gave brilliant witness to the

Church's involvement in the intellectual life and higher education. Her concern for extension students became legendary and for five years after becoming Professor Emeritus she continued to teach extension courses. Woodsworth College established a scholarship in her honour to acknowledge that concern.

In 1981 Sr. St. John received the honorary degree of Doctor of Sacred Letters from the University of St. Michael's College. As teacher, confidante and guide, as Dean of St. Joseph's College for eleven years, as a faithful Christian and as a Sister of St. Joseph, Sr. St. John O'Malley represented in an extraordinary way the traditions and values of St. Michael's.

THE SISTER ST. JOHN SCHOLARSHIP FUND ESTABLISHED

Students and other friends of Sr. St. John O'Malley have expressed a desire to honour her memory. In response to this request, her family and St. Michael's College have, as a fitting way to foster the ideals and traditions she cherished, established a scholarship fund to assist students in the new SMC Christianity and Culture Programme. This interdisciplinary course of studies explores the interaction of Christianity and culture through the centuries and provides the students with an opportunity for direct involvement in that interaction

between Christianity and contemporary culture. This interaction and involvement marked the life of Sr. St. John and were the goal of her teaching.

It is hoped that the fund will reach \$100,000. The initial response has been encouraging. Those who wish to contribute to Sr. St. John's memorial can send their donations to: St. Michael's College, Sr. St. John Fund, 81 St. Mary St., Toronto, M5S 1J4. A tax receipt will be sent from St. Michael's.

Fr. T.A. MacDonald, C.S.B. 2T4

1897 — 1986

Fr. T.A. MacDonald died in hospital on June 30 after suffering a stroke on June 27. He came from New Brunswick and graduated from St. Michael's in 1924. As a Basilian he was a teacher, an administrator, Newman chaplain, and parish priest. His practical business sense and willingness to make and implement hard decisions were instrumental in the survival of Assumption College, Windsor, during the Depression when he was Superior and President; these same characteristics marked his tenure as Bursar at St. Michael's, Treasurer General of the Basilian Congregation, chaplain of

the Newman Club, Toronto, and pastor of Holy Rosary Church, also in Toronto.

Because of his many different talents and religious appointments, he will be remembered by many people for different reasons. He will, however, be missed by all who knew him because of his priestly, forthright concern for them and their spiritual welfare. The people of Holy Rosary will feel his absence most acutely; for over thirty of his sixty-three priestly years he served them as pastor and member of the parish staff.

THEATRE AT SMC

The second half of the '85-6 season of the theatre in Alumni hall was chock-full of variety, vitality and artistic achievement. Professor Paulette Collet directed, as her annual *Le Cercle français* production, Molière's *Le malade imaginaire*. The production was enthusiastically received by the audiences. The Italian Club followed with a successful comic double bill, and the Victoria College 'New Vic Theatre Company' then produced Slade's *Salad Days*. In late March the St. Michael's Drama Society staged its inaugural play, *The Lion in Winter*, under the expert guidance of student-director Honorie Pasika. It was a most enjoyable and professional production, as those alumni who attended the first alumni-theatre night can testify. There are clear signs that the tradition of Music and Drama and Mickities is alive and well! The spring examinations ended student productions, but the theatre itself remained busy during the following months with concerts and productions by other theatre groups in the province.

The new season is about to open with "Family Album: An evening of One-Act Plays." Alumni figure prominently in this production. Former SMC student Eleanor Gow-Hubbard, who has previously stage-managed and directed productions at SMC, Hart House, and York University, will direct J.M. Synge's *Riders to the Sea*. Bill Gibson 7T7, former executive director of Theatre Mickities, will

direct Chekhov's *The Bear* and Yeats' *Purgatory*; Bill is also the producer for the evening. Poems on the subject of family relationships will also form part of the evening and will be read by Alumni Cecilia Pieterse-Kennedy, Denis Stokes, Des Daly and Bill Dunphy jr. **TIME: 8:00 P.M.; DATES: Sept. 19-20, 24-27, Oct. 1-4.**

In October, Toronto Repertory Theatre, in association with the International Brecht Conference and the University College Theatre Department, will offer Rainer Werner Fassbinder's *The Blood on the Throat of the Cat*, directed by Dorothy Kelleher. November will see the St. Michael's Drama Society's production of Dürrenmatt's *The Visit*. (See Alumni-Theatre Night article for details.)

— Eddie Baxter, Theatre Manager

Ed's note: *The greater alumni involvement in SMC theatre is in no small way due to Bill Dunphy, jr. 7T9 and Caroline (Morgan) DiGiovanni 7T0, alumni appointees to the SMC Theatre Committee, in conjunction with Eddie Baxter, theatre manager, and other members of the committee.*

For further information about theatre presentations and for reservations, please call the Box Office: 926-7135. We are trying to build up our drama archives; if you have any programmes, posters, etc. of previous SMC theatre productions, could you send them to us?

A Message from the New Alumni President

With the election of a new Board of Directors and Executive of the Alumni Association we welcome a new year at St. Michael's College. The next 12 months will be challenging ones for the College as it strives to maintain its high standards in an atmosphere of financial restraint. The financial crisis faced by Ontario universities makes it imperative that we find new ways to support the College. We are committed to expanding our fund raising efforts on behalf of SMC and to the continuation of our vital role in supporting its activities. We also intend to place significant emphasis on ensuring that the Alumni have a strong and active voice in College and U of T affairs and that we provide direct support to the initiatives of the College

administration.

Your Alumni Association has embarked upon a number of new programmes. One of our key objectives for 1986-87 is to increase the number of events and programmes that will draw Alumni back to the College. We want to see each of you more than twice a decade. We hope that you will find our programmes, as well as those sponsored by the Division of Continuing Education, to be of interest and that they will encourage you to spend at least an evening or two at St. Mike's every year.

I would encourage the graduates of 1966, 1971, 1976, 1981 to attend Homecoming on October 17 to 19. We have an exciting programme prepared for you and can assure you of a very plea-

Chris Driscoll 7T6, President, St. Michael's Alumni Association.

ANNUAL GENERAL MEETING May 6, 1986

The Annual General Meeting was held in Charbonnel Lounge with about fifty people in attendance.

Maureen Pappin, as President, reviewed the work of the Alumni Board for 1985-86, outlining the work of the various Committees and reporting on the success of the 1985 Varsity Fund and the Kelly Lecture. She then called upon Chris Driscoll, newly-elected President of the Alumni, who spoke of the future plans of the Association and expressed the gratitude of all to Maureen for her dedicated service as President.

The Board of Directors was elected (see below), and retiring members Carole Curtis, Mimi Marocco, Pat McGee, Stephanie Orange and Brian O'Riordan were thanked for their work on the Board.

Frs. McConica, Madden and Principal Dunphy stressed the vital role the Alumni play in the life of St. Michael's; Mimi Marocco outlined the mutually beneficial relationship she hopes will develop between the Alumni and the newly established Division of Continuing Education.

After adjournment there were refreshments and conversation.

At the annual U of T Athletic Awards Banquet, Fr. Harold Gardner, Superior of St. Michael's College and Assistant Librarian, was awarded the Thomas R. Loudon Award presented annually to the student or member of the staff of the university who has served in an outstanding manner the advancement of athletics. Acknowledging his role on several athletic committees, the citation went on to state, "As a friend, counsellor, supporter, he has touched the lives of countless Varsity-Blues players, coaches, and staff."

ST. MICHAEL'S ALUMNI AND VATICAN SPLENDOUR: A BAROQUE OPPORTUNITY FOR \$15.00

The highly acclaimed art exhibit *Vatican Splendour: Masterpieces of Baroque Art* will be at the Art Gallery of Ontario in a few weeks, and arrangements have been made for an SMC alumni 'package outing' to view the collection on *Saturday afternoon, November 15*. The afternoon will be composed of a luncheon at 12:00 noon (sharp) in room 202, Brennan Hall (enter by north doors), a lecture by Fr. Michael Sheehan, C.S.B., of the Pontifical Institute that will deal with the collection we shall be viewing, then a bus will take the group to the gallery for a 2:00 P.M. admission. Members can then view the exhibit and the rest of the gallery at their leisure, making their own way home or back to the College to pick up their cars whenever they wish. (Public transit is very close.) And all for \$15.00: the luncheon, the lecture, the transportation and admission to the gallery. So, come along. The gallery brochure says, 'The Pope sends his best.' Form a group, bring friends, come and see what the Pope has sent. The number of tickets for this event is limited to : if you wish to take advantage of this opportunity, please fill out the form provided and return it, with your cheque made out to 'St. Michael's Alumni', to the Alumni Office, by Thursday, November 13. The Alumni Office will confirm your reservation by phone, so please include your phone number on the form. Come and enjoy good company, a good lecture, good food and good art. **Remember:** tickets are limited to forty; first come, first served.

ALUMNI BUFFET—THEATRE NIGHT, November 22 COME BACK FOR *THE VISIT* — \$18.00

The response to the last Alumni Theatre Night was so positive that we are doing it again! The St. Michael's College Drama Society is presenting Friedrich Dürrenmatt's play *The Visit*, and Saturday, November 22 has been chosen for an alumni theatre night. There will be a cash bar at 5:30 P.M., a hot and cold buffet dinner at 6:15 P.M. followed by a talk by the play's student director Honorie Pasika (who directed last year's *The Lion in Winter* and spoke to us then) and the performance itself. The price? An incredible \$18.00 per person.

The Visit, first produced in 1956, relates the sequence of events by which the citizens of a small, bankrupt village become greedy accomplices in the murderous revenge of a wealthy woman, a former native of the town. The play is a parable, a searing commentary on our proneness to corruption when our own material interests are at stake, and raises questions about complicity in atrocities. The first English production of the play starred Alfred Lunt and Lynn Fontaine. So, come back to St. Michael's, form a theatre group if you wish, and enjoy an evening of reunion over dinner with other alumni and friends, and a rich theatrical experience. You will also be showing the alumni's continuing interest in and support of drama at St. Michael's.

For reservations, please fill out the form provided and return it with your cheque, made out to 'St. Michael's Alumni', to the Alumni Office. Your reservation will be confirmed by phone and your tickets will be waiting for you at the buffet dinner before the performance.

THE PRINCIPAL'S MEDAL 1986

The 1986 Principal's Medal, established by the family of former Principal L.E. Lynch ST6, was awarded to John Cyrus Canning, a Classics major who came to St. Michael's from Fordham Prep High School in New York City. St. Michael's College has been the richer for his multifaceted personality.

John maintained a solid 'B' average, which is almost astonishing when one thinks of the time and energy he gave to the extra-curricular life of the College and University. In his second year he was President of the St. Michael's College Student Union and ran a close second for the 1985-86 presidency of the U of T's Students' Administrative Council, on whose committees he often served. He was central to University and College politics, SMC residence life, Hart House (Secretary of the Debates Society and member of the Board of Stewards); he was active in the Sunday University Mass and St. Basil's parish liturgies.

An indication of his impact on the entire campus was the overflow crowd that participated in the "John Canning laugh alike Contest" held this winter in Brennan Lounge. Outgoing, outspoken, generous and involved, John Canning has earned this award. We wish him well in his law studies at St. John's University on Long Island.

TALLIS CHOIR CONCERT

Fr. James McConica has arranged a concert of liturgical music by the Tallis Choir, under the direction of Mr. Peter Walker. The concert will take place at 8:00 P.M., Wednesday, October 29 in St. Basil's Church, 50 St. Joseph St., Toronto. The choir will present Palestrina's setting, "Veni sponsa Christi" for the Solemn Pontifical Liturgy of the Feast of All Saints, with the music of William Byrd for the polyphonic propers.

Because of the generosity of the Tallis Choir, there will be no charge. The concert is a contribution of St. Michael's to the *Vatican Splendour* exhibition.

If you have any suggestions for events or programmes that would be of value to the Alumni community, Father Madden and I are very interested in hearing from you. If you would like to get involved in any of our activities, please let us know. We can be reached through the Alumni office.

This will be an exciting year at St. Mike's. We hope to make it a productive and valuable one as well.
